Re: *In re BP ERISA Litig.*, MDL No. 2185, Case No. 4:10-cv-04214

Dear Ron and Lori:

In furtherance of yesterday's teleconference, on behalf of the BP Defendants I enclose a list of individuals in response to Ron's letter dated May 9, 2011 (received by email on May 10). The enclosed list includes information on individuals dating back to June 30, 2005, the earliest date in any of the putative class periods in the filed complaints. It does not include individuals who may have been delegated or may have performed administrative tasks not related to the four BP retirement savings plans listed in the eight ERISA complaints filed in this proceeding or the BP Stock Fund.

Please note that provision of this information does not constitute a representation that any person listed or any individual that holds a particular title is a "fiduciary" as defined by the Employee Retirement Income Security Act of 1974 ("ERISA"), or that these individuals are proper defendants in the pending actions. As we explained in yesterday's teleconference, many of these individuals have had no fiduciary roles with respect to the claims asserted in the eight ERISA complaints. Provision of the information also does not constitute a concession as to the relevant time period for plaintiffs' claims. Rather, all information is provided solely as part of the BP defendants'

efforts to provide to plaintiffs ERISA-related information on a voluntary basis to plaintiffs to promote efficient litigation of the pending actions.

Sincerely,

A handwritten signature in black ink, appearing to read "Morgan D. Hodgson". The signature is written in a cursive, flowing style.

Morgan D. Hodgson
